The rules say we send it to all the papers of general circulation in the county. I suspect most of the papers are local ones, like for Spanish Fork, Springville, etc. I say we send it to the Daily Herald which is the primary paper. I'll start looking at the advertisement. I also need to confirm the legal description.

Thank you for getting this going.

I've started the legal notice for this site. Please take a look at it and take out as much as you can (cost). There are 14 newspapers in Utah County do you want me to send the notice to all of them? Also, I will need a map for the RDCC. Thanks.
